Judy, Mike Alpern kept asking me all last week when I could do it, so late Thursday afternoon I told him I would just do it this Monday (tomorrow) and get it over with. It runs from 11:30am-Noon. Sorry for the short notice, but it would be great if you are able to join me if you can, to help answer questions. I'll do the main presentation myself. I'll forward the invite if it works for you.

Thanks so much for getting it started. I edited it a bit and moved the slides around in a way that I thought I could tell a story in 10-15 minutes. Here it is. If you have any last minute edits or suggestions, let me know. Otherwise, I'm ready to go with it.

Thanks, John
